In May 2022, under CC# 22-122-1562, the Baltimore County Police initiated a report for 15 year old Juvenile Victim #1, regarding allegations of sexual offenses, and human trafficking. I was assigned to this case for further investigation. As a result of the investigation, Suspect Emmanuel Nelson Ehijator (M/B, 12/11/2000) was arrested, and charged with multiple counts of sexual offenses, and human trafficking.

As part of the aforementioned investigation, I located a video, saved on Suspect Ehijator's phone. This video was shown to Juvenile Victim #1, and she identified herself as one of the persons in the video. She then identified the other person in the video as her friend, 14 year old Juvenile Victim #2.

During this interview, Juvenile Victim #1 also stated that Juvenile Victim #2 engaged in sexual activity with Suspect Ehijator. She said that Juvenile Victim #2 sent her a message, after her first time with Suspect Ehijator, stating that Suspect Ehijator paid her. Juvenile Victim #1 went on to explain that, to the best of her knowledge, Juvenile Victim #2 was with Suspect Ehijator by herself on two occasions, and the two of them were together with Suspect Ehijator about 4 – 5 times.

On 02/08/2023, I interviewed Juvenile Victim #2. I explained to Juvenile Victim #2 that Juvenile Victim #1 became involved with an older male, and that was part of my investigation. Juvenile Victim #2 confirmed that she knew about this, then went on to disclose that, between mid-January 2022, and ending sometime after March 2022, she engaged in sexual activity with the same older man 2 times, and, she and Juvenile Victim #1 engaged in sexual activity with him, together, around 3-4 times.

During my investigation, both Juvenile Victims positively identified the older man who paid them to engage in sexual activity with him as Emmanuel Nelson Ehijator, a black male, with a date of birth of

12/11/2000, Maryland Driver's License # E-236-229-626-942, and an address, at the time of these events, of 6702 Wilmont Drive, Apt. T2, Gwynn Oak, MD 21207.

Juvenile Victim #2 said she talked to Juvenile Victim #1 after her first time being with Suspect Ehijator, and Juvenile Victim #1 told her that is was "chill", and what they expected. When asked to explain what they "expected", Juvenile Victim #2 said that the girl told them all they had to do was sleep with him, and he would pay them a lot of money "... and that's exactly what it was. It wasn't like any ties or anything else." She added that Suspect Ehijator paid both of them around \$400 each time, except for the last time she, and Juvenile Victim #1, were together with him. She said he only paid them \$100 - \$200 that time.

Juvenile Victim #2 then talked about 2 incidents in which she was alone with Suspect Ehijator. She stated that all incidents with Suspect Ehijator happened between late January/early February through early March (2022). Juvenile Victim #2 also stated that Suspect Ehijator was in his early twenties, which she clarified meant 22 - 23 years old. She added that Suspect Ehijator new she was only 14 year old, because he asked how old they were, and he did not seem to have a problem with their age.

When describing the first incident, Juvenile Victim #2 said that she, and Suspect Ehijator, made arrangements to meet via Snapchat. Suspect Ehijator then ordered her an Uber, which picked her up around 11:00 pm, at the traffic circle on Jerome Ave (White Marsh, MD). At this point, Juvenile Victim #2 confirmed her address, at the time, was on Gunpowder Road, 21162, and Jerome Circle was within walking distance.

The Uber then drove her to his apartment, which she estimated was about a 1 hour drive. Upon arriving, she would walk to the back of the apartment building, and climb through a ground level window, into his

bedroom. Juvenile Victim #2 said she did this because Suspect Ehijator's "cousin" was usually home when she was there.

When asked about what happened when they were together, Juvenile Victim #2 said that they both were of the understanding that there would be sexual intercourse, in exchange for money. During this first incident, she described performing oral sex on Suspect Ehijator, then they had sexual intercourse, and she performed oral sex on him again. She confirmed that oral sex consisted of his penis in her mouth, and that sexual intercourse involved his penis in her vagina. Juvenile Victim #2 said that Suspect Ehijator wore a condom, although she could not describe the brand, and they stopped engaging in sexual activity when he "came." She then added that Suspect Ehijator disposed of the condom in the bathroom, which was not attached to bedroom.

When they were done engaging in sexual activity for the night, Juvenile Victim #2 said she would hang out in his room, watching television, and Suspect Ehijator would order her food from Uber Eats. Suspect Ehijator paid her \$400 cash and, upon leaving the apartment, she got into an Uber, which Suspect Ehijator ordered for her, and was dropped off at the circle on Jerome Ave.

I then asked Juvenile Victim #2 about the second time she met with Suspect Ehijator, by herself. Again, she could not remember specifically when this occurred, but it was during the timespan she provided earlier.

Juvenile Victim #2 stated that this second incident was the same as the first time she met Suspect Ehijator alone. She confirmed that the same sexual acts occurred again; she performed oral sex on Suspect Ehijator, they had sexual intercourse, and she performed oral sex on him again. She said they

also hung out, watching television, and Suspect Ehijator ordered her food from Uber Eats. At the conclusion, Suspect Ehijator paid her \$400 in cash.

As the interview continued, Juvenile Victim #2 talked about the 3 – 4 incidents during which she, and Juvenile Victim #1, were with Suspect Ehijator, together.

When describing the first time they were with him together, Juvenile Victim #2 confirmed that he ordered an Uber, which picked her up first, then picked up Juvenile Victim #1, and they road to Suspect Ehijator's apartment together. Upon arriving, they both climbed through the ground level apartment. Juvenile Victim #2 then disclosed that she, and Juvenile Victim #1, performed oral sex on Suspect Ehijator, and they each engaged in sexual intercourse with him. She further stated that Suspect Ehijator did not wear a condom, and when he was close to climaxing during sexual intercourse, they would perform oral sex on him until he ejaculated. Juvenile Victim #2 said that he would have sexual intercourse with one of them, while the other watched television. She estimated he had sex with them 4 – 5 times, and ejaculated each time. This incident ended with Suspect Ehijator paying each of them around \$400, and provided an Uber for them to get home.

I then began asking Juvenile Victim #2 about the next time she, and Juvenile Victim #1, were with this guy, together. She went on to say that the other 2 – 3 times they were together with him, were the same as the first time. She, and Juvenile Victim #1, would ride together in an Uber, to his apartment. Once there, they would engaged in multiple counts of oral sex, and sexual intercourse. Juvenile Victim #2 added that she is not sure exactly when, but at some point during all these incidents, Suspect Ehijator just stopped wearing a condom. This led to her taking a couple pregnancy tests because Suspect Ehijator ejaculated inside of her one of these times.

Toward the end of this interview, I asked if there was any information she could provide, that I may have neglected to ask. Juvenile Victim #2 advised that Suspect Ehijator has a "smaller, fast car", and that she has been in his car twice. When asked why she was in his car, Juvenile Victim #2 explained that there were times when Suspect Ehijator's cousin was moving about the apartment, and Suspect Ehijator told her to wait in his car. She said it was different for Juvenile Victim #1, because she looks older, as if she were around 17 years old. Juvenile Victim #2 said she has a "baby face", and looks like she is around 13 years old. She also said that Suspect Ehijator was skittish, further explaining how he knew it was illegal, referring to how old she, and Juvenile Victim #1 were, and that "... it didn't bother him ... just the getting caught part."

On 06/13/2023, I conducted an interview with Victim Juvenile Victim #2, via Facetime. I recorded this interview using one of the interview rooms at the Child Advocacy Center.

Prior to this interview, I printed a booking photograph of Suspect Emmanuel Ehijator, which was taken after an arrest dated 12/21/2022. I also copied video file, Memories-2022-04-15-08-04-55utc, from Suspect Ehijator's Snapchat account onto my departmental cell phone.

During this interview with Juvenile Victim #2, I showed her the photograph of Suspect Ehijator, by holding the photo in front of the phone camera. She immediately stated, "That's him." Upon further questioning, Juvenile Victim #2 positively identified the person in the photo as "Nelson", who is the same subject she spoke about in her disclosure, and the same subject who paid her to engage in sexual activity with her.

I then played the copied video file for her. Juvenile Victim #2 identified the two people shown in the video as herself, and Juvenile Victim #1. She further confirmed that the video was taken inside Suspect Ehijator's bedroom, and that he was the person taking the video.

During her disclosure, Victim Juvenile Victim #2 stated that she, and Suspect Emmanuel Ehijator, communicated via Snapchat, and she confirmed her user ID was sweetpeadar. I then served a search warrant on Snap, Inc., and they responded with electronic files from the account, sweetpeadar.

As a reminder, the investigation into Suspect Emmanuel Ehijator revealed that his Snapchat username was nehijator1, Juvenile Victim #1 username was nightlyskyz\_s20, and Juvenile Victim #2 username was sweetpeadar.

After reviewing the records from Snap, Inc., for username sweetpeadar, I did not find any conversations related to username nehijator1. However, I found approximately 1,650 snap messages between sweetpeadar (Juvenile Victim #2), and nightlyskyz\_s20 (Juvenile Victim #1). Of those approximately 1,650 messages, 23 of them contain the name Nelson. Within these conversations mentioning Nelson, the victims talked about meeting up with Nelson, that he asked one of them to where something "naughty", and asking Nelson to tell the Uber cab to take them somewhere. Please note that both victims identified "Nelson" as Suspect Emmanuel Ehijator.

Of further note, in the Conversations file, which is an Excel file, Juvenile Victim #1 sends a message (#31961) to Juvenile Victim #2, on April 10, 2022, stating, "Hey, Nelson is baraiding me about you not unsaving the snaps between you and him. Can you unsave them?" Juvenile Victim #2 responds

(#31960), "I am." This clearly explains why I was unable to locate any conversations in these files between Juvenile Victim #2, and Suspect Ehijator.

Juvenile Victim #2 estimated that these sexual incidents with Suspect Emmanuel Ehijator began around mid-January 2022, and ended sometime after March 2022. In the case with Juvenile Victim #1, she provided a timeframe of 04/1/2022 – 05/02/2022. Combining these two timeframes, and given the fact that the conversations regarding Suspect Ehijator in the Snapchat files in Juvenile Victim #2 account occurred during April 2022, indicate a timeframe of January 1, 2022 to May 2, 2022 for these incidents.

All events involving the transportation, and sexual exploitation of Juvenile Victim #2 occurred in Baltimore County.
